Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have serious objections to the Draft M.O.U.  
I am on HRT. I do not tolerate the standard treatment  
of premarin + provera. I do tolerate a natural formula.  
I have been getting my prescription filled satisfactorily  
by Madison pharmacy in Madison, WI. We live in  
a small Northern Calif community. There are no  
pharmacies that will put up my compound.
